**How To Transform This Into A Paper Airplane**

**Step 1:** Fold the paper in half lengthwise and run thumbnail along the fold to crease it sharply. Now, unfold the paper.

**Step 2:** Fold down the top corners to form a point at the top. **Step 3:** Fold the two edges toward the center line.

**Step 4:** Make a valley fold in half. Turn the plane 90 degrees **Step 5:** Create a wing crease that begins at the nose.

**Step 6:** Form 3-dimensional Basic Dart. Bend up the trailing edge of the wings for lift if it has a tendency to nose-dive.

When sailing this paper airplane, remember to check for directionality attempt to contact your beloved, should he/she/other occupy the of your romantic pursuit. In case of failure, adjust model as necessary

and speed of wind. Sticking your head out of your office window in an building opposite you is not recommended but may be necessary during and repeat until contact is established.

*National Paper Airplane Day is an unofficial observance celebrated on June 21<sup>st</sup> each year, but love and life and joy should be celebrated each and every day.*
