# Sister Day Checklist

Sister Day is a celebration of imagination and sisterhood. Use the checklist below when planning your very own Sister Day. There are extra blank lines at the bottom for you and your sister to fill in with your own ideas.

☐

## **Make friendship/sisterhood bracelets.**

Use the Internet to find tutorials, instructional videos, and a list of supplies.

☐

## **Bake!**

What is your sister's favorite dessert? What is yours? Ask your parent or guardian to help you bake each other a special treat.

☐

## **Design t-shirts.**

What's a Sister Day without matching outfits? Use fabric markers on plain t-shirts to create a unique Sister Day outfit.

☐

## **Make a fort using *all* the blankets!**

Tell stories to each other, watch your favorite movie or television show, and have a slumber party.

☐

## **Write your sister a story.**

The story can be based on a true event or it can be made-up.
